## STATEMENT OF OBJECTS AND REASONS

Sections 11 and 24 of the Warehousing Corporations Act, 1962 (58 of 1962), enable the Central Warehousing Corporation and the State Warehousing Corporations to run their warehouses for the storage of agricultural produce, seeds, manures, fertilizers, agricultural implements and notified commodities, i.e., any commodity (other than agricultural produce) which the Central Government may, by notification in the Official Gazette, declare to be a notified commodity for the purposes of the Act, being a commodity with respect to which Parliament has power to make laws by virtue of entry 33 in list III in the Seventh Schedule to the Constitution. There has been a constant demand for the storage of other commodities also like tobacco, lac and wool which cannot be stored in the warehouses under the existing provisions of the Act. Legislation enabling the Central Warehousing Corporation and the State Warehousing Corporations to store in their warehouses commodities like tobacco, lac and wool is relatable to matters enumerated in entry 26 and entry 27 of list II in the Seventh Schedule to the Constitution and Parliament has no power to make a law for the States (apart from the provisions of articles 249 and 250 of the Constitution) unless the Legislatures of two or more States pass a resolution in pursuance of article 252 of the Constitution, empowering Parliament to pass the necessary legislation on the subject. The Legislatures of the States of Andhra Pradesh, Gujarat, Kerala, Madras, Punjab and Uttar Pradesh have passed such resolutions. The Bill is intended to give effect to the resolutions passed by the Legislatures of the aforesaid States.
